

# Kalpa Raksha Educational & Charitable Trust (KRECT)

# Introduction

Established in 2014, by a dedicated team committed to creating a brighter future for underprivileged children, particularly those vulnerable to abuses such as child labor and sex trafficking. Recognizing the inherent potential in every child, the Trust endeavors to provide opportunities and resources to channelize their talents towards a prosperous and fulfilling life.

# About the Founder

Sri Kumar S Naik-

The founder of Kalparaksha Education and Charitable Trust.

Initially pursued a career in tailoring. Following the loss of his father during his early years, Kumar witnessed firsthand the challenges faced by single-parent households, including his own. Motivated by this experience, he dedicated himself to supporting children in similar circumstances by establishing Kalparaksha Education and Charitable Trust. Since its government registration in 2014, the organization has focused on providing boarding and residential education, aiming to positively impact the lives of underprivileged children.
