Introduction to Kalpa Raksha Educational & Charitable Trust®

Kalpa Raksha Educational & Charitable Trust is a Social Service.

Established in 2014, by a dedicated team committed to creating a brighter future for underprivileged children, particularly those vulnerable to abuses such as child labor and sex trafficking. Recognizing the inherent potential in every child, the Trust endeavors to provide opportunities and resources to channelize their talents towards a prosperous and fulfilling life.

Sri. Kumar S Naik

Founder of Kalparaksha Education and Charitable Trust.

Inspired by his father's hard work. Kumar S Naik used to sew clothes by profession. Lost father at very younger age and by witnessing his mother's hard work, realized that there are many people like him who are raised by single parents. I felt compelled to do my best to provide boarding and residential education to five children initially.

In 2014, the institute became a government-registered organization.
